

LNHS Band Boosters

SCRIP: OUR YEAR-ROUND FUNDRAISER!

WHAT:

We have a great fundraiser that is really "painless". Attached is an order form with the store listings. On the back of this form are some "Frequently Asked Questions". Our Wildcat Bands need to raise funds for uniforms, new instruments, and travel expenses. This fundraiser will provide our band a year-round way to collect funds for these needs!

HOW:

The student's families will order and pay face-value for "gift certificates" for the stores of their choice. Students are also encouraged to solicit orders from other family members and friends. You can even ask family members who live anywhere in the United States to order gift certificates because the stores participating are all over the United States.

To place an order, just fill out the Order Form. Be sure to include your contact information (so we know how to reach you if there is a problem with your order). We also need to know if your student is authorized to pick up the scrip when it comes in: PLEASE KEEP IN MIND THAT GIFT CARDS ARE LIKE CASH and we can't be responsible if it is lost. Fill in the quantities needed denominations, and then multiply. **(Remember upcoming holiday gifts and birthday needs as well as shopping needs! It's a great budgeting tool, too!)** Add up your total amount being ordered and put that at the bottom and make a check out to LNHS Band Boosters.

WHY:

The amount of money we can make through this fundraiser is HUGE! For example, if your family spends \$50 per month at retail stores and \$50 per month at restaurants and \$120 per month at gasoline stations during the next 9 months, our potential profit from just those purchases would be over \$150! We have over 150 families in our band so our fundraising through this program could be over \$10,000 easily! AND THIS IS WITHOUT CHANGING WHAT YOU NORMALLY DO! With a little planning, you could help our band program a great deal. How about giving gift certificates as gifts to everyone on gift-giving occasions? Or, buy gift certificates to buy gifts for the holidays if you don't want to give certificates. Changing your shopping/dining habits just a little can make a big difference!
