MONTHLY UPDATE!!

JUNE 2024

PAGE 2

DCI: (Please note- no transportation this year)

Crownbeat: July 6: [CLICK HERE](#) for info and tickets.

Crown Leadership Clinic PLUS Crownbeat: [CLICK HERE](#).

!!Nightbeat: July 28: We did not have enough responses to order group tickets at the original deadline. If you want us to try for group tickets, [THIS FORM](#) MUST be completed by **midnight on Tuesday, June 4**. I will communicate whether we meet minimum ticket purchase on Wednesday, June 5.

Spirit OF ATLANTA

On July 28, Spirit will be arriving in the early morning hours to sleep in our gyms for a few hours, wake up, eat breakfast, and start rehearsing.

Many of our students are interested to learn more about how a DCI member corps functions- this is an incredible opportunity to do so.

Spirit will be conducting a private clinic for LNHS band students- to begin our camp day at 1:00 on July 29.

Parents and families- you are welcome and **ENCOURAGED** to be present during rehearsals. We do need parents on hand to help care for students, but we also need your presence! A supportive, enthusiastic audience is what performers live for!

In order to keep our students as safe and as cool as possible during camp, we rely on families to loan pop-up canopies during the rehearsal day. Please let Mr. Brown know if you are able to help. Thank you in advance!

Things you will need for full camp:

- Large (gallon) water bottle.
- Sneakers (sandals and bare feet not permitted)
- Personal snacks
- Packed lunch each day
- Sunscreen
- Sunglasses and hat
- Music memorized
- Charged phone for UDB (More info to come)
- Fees/forms complete
- Binder with all music printed.
- Black shorts for preview on on Friday.

Training Camp Health

Things parents/students should know:

1. We have a certified athletic trainer on-site/call during band camp.
2. The LNHS Band follows NCHSAA guidelines for heat index/outdoor activities using wet-globe data. You can read those guidelines here: [NCHSAA heat guidelines](#)
3. Mr. Brown monitors 3 separate wet-bulb and lightning strike sources during outdoor rehearsals. When lightning strikes are within 20 miles, rehearsal will move indoors.

*Fuel is non-negotiable. Students who have not eaten will inevitably "fall out" of rehearsal. A healthy, substantial breakfast is necessary in order to fully participate.
